MANAGEMENT SYSTEM POLICY

The main mission of ARHIV arhitektura i urbanizam d.o.o. / ARHIV architecture and urbanism ltd is to be recognized as an innovative architecture office in Croatia and Europe, whose work affects social change and explore new design approaches.

This will be achieved through:

- consideration of context of the organization and aligning the Quality and Information Security Management System with our strategic directions
- satisfying interested parties and applicable statutory and regulatory requirements
- management of organization, along with established quality and information security objectives and defined responsibilities for their fulfilment
- establishing, applying, maintaining and continual improvement of the effectiveness of Quality and Information Security Management System
- provide commitment to satisfy applicable requirements
- tracking and applying new technologies and new competences of our employees
- careful selection of suppliers and partners
- commitment to increase quality in our projects
- communicating the importance of effective information security management and of conforming to the information security management system requirements
- making continuous improvement as a part of everyday operations
- continuously upgrading the Quality in all stages of our core business
